It is the open season for policemen in Ireland.

The American yacht Resolute now has a chance to prove her name under ad-

Sir Thomas Lipton will never drink out of the America's cup-because there is no bottom to it.

Quincy, Mass., gained 265 in a revi sion of its census. Not a very large gain for Quincy, but it would be con siderable for Barre under the present

Although the designation Farmer comes first in the name of the new party, called the Farmer-Labor party, it is very evident that Labor comes first when the matter of control is under consideration.

The motor tourists who were held up by a black bear in Cavendish gorge got erv is described as unexpected. Some of the scenes also are.

yoke, Mass., is the modern Colossus, voters generally have a way to treat such straddlers.

Being on the out with about everybody, including the convention, which started to nominate him for president, Senator La Follette may take it into his head to start a party all his own, with Wisconsin as the stronghold of the new organization.

Those Vermonters who were unable to go to Plymouth on Thursday to pay their respects to Gov. Coolidge of Massachusetts, the Republican candidate for vice-president, wish to make it known that they have a very high opinion of the man. The sentiments expressed by those who were enabled to be present for the informal homecoming reception of this Vermonter represent the ideas of the other.

The present scarcity of "old" potacent increase in Vermont's 1920 crop look as if it might come in handy a year from now. Sometimes we think we are raising too many potatoes for the market, but before the year is fin-
